Frommer's Review

If you're looking for a particular B.C. vintage, try this place first. The owner and staff of this West End wine shop are dedicated to educating their patrons about wines. They conduct evening wine tastings, featuring selections from their special purchases. They also publish monthly newsletters. In addition to carrying a full range of British Columbian wines, the shop also has a large international selection.

Note: This information was accurate when it was published, but can change without notice. Please be sure to confirm all rates and details directly with the companies in question before planning your trip.
